DIRECTIONS TO LAWRENCE MANOR

Several great small-town restaurants are just a short walk away for a meal or a drink. Lawrence Manor is conveniently close to local colleges and universities in Canton and Potsdam and only a few miles from the Canadian border and the Thousand Islands. Gouverneur is also home to the corporate headquarters of Kinney Drugs and Gives Steel - Northern Division. Also close by is the 10th Mountain Division at Fort Drum. You will want to return, for this is a special place where strangers really do become friends.
